At Shetzinger, the stage agent, re-ceived the following dispatch yesterday relative to the attempt to stop the stage leaving here the night before. The dis-patch was dated at Mineral Hill, and sent by the driver of the stage.

patch was dated at Mineral Hill, and sent by the driver of the stage:

"I was stopped about one mile this side of Eureka, below the slaughter house by two men. The largest one had a sack on his head. I thought they wished to get on the stage, and asked them what they wanted. One of them replied: "Hand over that box!" which scared the horses and caused them to run away. They fired one shot without effect. Lost my whip in the operation.

O. B. Sampson."

The first known of the attempted robbery was the above dispatch, sent from Mineral Hill, and as yet no clue has been obtained as to who stopped the stage. Among the passengers was Dan. Morgan, who had about \$300 in coin on his person and a number of checks.—

AT Marysville, Cal., April 4, a meeting of the citizens of Yuba and Sutter coun-ties was held for the purpose of taking steps towards the organization of a comsteps towards the organization of a com-pany to build the proposed railroad from Marysville to a point on the Sacramento river at or near Knight's Landing. The meeting was well attended by the prin-cipal men of the two counties, who take a deep interest in the matter. A com-mittee was appointed to solicit subscripmittee was appointed to solicit subscrip-tions to the capital stock, and to prepare for the incorporation. A committee will confer with the managers of the pro-posed railroad from Grass Valley to Col-fax, with a view to diverting the route of that road by making a connection with the Marssville and Knight's Landing road at this place, instead of the Central Pacific road at Colfax; though the length of the road to be built would be greater.

road at this place, instead of the Central
Pacific road at Colfax; though the length
of the road to be built would be greater,
the cost of construction per mile would
be much less. This route would be advantageous to Grass Valley in many
ways, among others giving them a competing line to San Francisco and Vallejo.
The next meeting will be held Saturday
next, and a disposition is shown to push
the work with vigor.

The HUALPAIS.—While some letter
writers of Mobave county appear to
think that the Hualpai Indians will, as a
last resort, go to the Colorado river reserve, others are quite sure that rather
than do so they will fight. Sheerum, the
real chief of the tribe, had not, at latest
dates from Beal Springs, come in there,
and people were thinking that he would
not do so unless assured that he and his
people would be permitted to remain in
their own country. What Gen. Crook
will do in the matter depends altogether
ipon orders from Washington. The
ourse of Indian Agent Tonner in taking
way some Hualpai supplies and disposig of more, is inexplicable, when we
ke into consideration the assurance
om a friend of his that he does not
re to have the Hualpais placed upon
s reservation.—[Arizona Miner.
